

# GRIFFON GLUE REMOVER

VERY EFFICIENT AND EFFECTIVE AGAINST GLUE AND STICKER RESIDUES.

## PRODUCT DESCRIPTION

Griffon Glue Stain Remover is very efficient and effective against glue residues.

## FIELD OF APPLICATION

- Removing glue and sticker residues from many types of surfaces, e.g. tile, stone, glass, and metal.
- Also suitable for removing paint, fat, grease, ink, and oil stains and residue.
- Removes superglue, as well as contact, polyurethane, and assembly adhesives.\*

(\* Removal of glue depends on the type of surface.) Not suitable for • silk, leather, suede, polystyrene, or rubber.

## PROPERTIES

Universal and non-drip. Precise application and can be applied vertically.

## APPLICATION

### Directions for use:

- Always test first on a hidden part of the surface.
- Manually remove as much of the excess residue as possible.
- Spray the Lijmvreter on the stain and allow the product to penetrate the stain properly for 2 to 3 minutes.
- Remove the stain using a cloth or scraper if necessary.
- Repeat the process if needed.
- Thoroughly wash the surface after.

### Points of attention:

- Product contains solvents that may affect the surface.
- Test before using.
- Important: Shelf life: minimum 24 months.

## STORAGE CONDITIONS

Store in tightly closed container in a dry, cool and frost-free place.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
