PRODUCT DESCRIPTION

Invisible tape of superior quality. Can be written on and is copy-neutral. Can easily be torn by hand. Also available in handy dispensers with metal blade for a neat cut. For many uses at home, at school and in the office. Tape width 19mm.

FIELD OF APPLICATION

For 1001 applications at home, at school and in the office - like wrapping, fastening, fixing, packing and much more.

PROPERTIES

- invisible
- can be written on
- copy-neutral
- can easily be torn by hand
- solvent-free
- unwinds without noise

PREPARATION

Surface requirements: Surfaces to be glued should be clean, dry, and free of dust and grease.

APPLICATION

Directions for use:

Do not touch the adhesive as this reduces the adhesive strength.
